Daly City Councilmen Adopt Fire Department Ordinance

NEWS OF OUR MEN and WOMEN IN UNIFORM

Private First Class **Raymond Fellman,** son of Mr. and Mrs. Rudolph Fellman, 210 Bismark street, has been in India for the past 5 months. He is with the ground crew of the U. S. Army Air Forces. He attended Jefferson Union high school and has been in the army for more than a year now.

Just after The Record had gone to press last week with the story about Captain **Grant Smith** being home on furlough, word arrived from the Thirteenth AAF in the South Pacific that by direction of the president of the United States, the Oak Leaf Cluster was awarded him in lieu of an additional Air Medal. It was presented by Lieutenant Colonel Millard F. Harmon, commanding United States Army Forces in the South Pacific area. The award was made for Smith's work as element leader on August 4, 1943.

Promotion of Technical Sergeant **Paul D. Hair,** 429 Knowles avenue, Daly City, from the rank of sergeant was announced today by the Coast Artillery Command, Panama Canal department.

Sergeant Hair was simultaneously awarded a good conduct medal in recognition of one year of exemplary deportment in the Army. He is assigned to an anti-aircraft gun battery. He entered the Army December 4, 1940, and has been stationed in Panama since April 21, 1941.

His mother, Mrs. Marian Cava, lives at the Knowles avenue address. Sergeant Hair is a former student of Jefferson Union high school.

John J. Fahey jr., Daly City attorney and judge of the First Township justice court prior to his enlistment in the U. S. Navy in December, 1943, has been at home on furlough for a few days following completion of a 10-weeks training course at San Diego. Tomorrow, February 18, he reports to San Francisco for assignment to duty. He is now a petty officer in the Navy.

Fahey, son of Councilman and Mrs. John J. Fahey sr., resides at 32 Edgewood street, Garden Village. He has a wife and daughter.

To Try New Plan For Traffic Control

The Market Street railway management has agreed to try a plan to eliminate traffic hazards occasioned at the top of the hill in Daly City. The plan was suggested by local officials and was presented to the railway by Police Chief James G. Reardon. Work will get under way to put the project in shape the moment permission is granted by the California Highway commission.

As the situation exists now, riders coming to the top of the hill in Daly City are let off the car at the island in the middle of Mission street opposite Hillcrest drive. From here they scatter in all directions, many attempting to catch the No. 40 and wandering toward it down the middle of Mission street as far as Knowles avenue.

Under the new plan, riders who wish to continue on to Peninsula cities on the No. 40 will be let off the No. 14 cars opposite the Bank of America on Mission. At that point they will cross directly to the San Jose avenue side of the bank and board the No. 40 there. The No. 40, from its new terminal at the end of San Jose avenue, will head into Mission street and not stop at the Hillcrest island at all, going directly on south and making no further Daly City stops until Vista Grande avenue.

Necessary safety zones will be established to give this plan every possibility to solve the bad traffic situation here.

Chief Reardon announced that Daly City was host to the Peninsula Police Officers association, Tuesday night, February 15, at Ric's place, Colma. Arrangements were made by Sergeant Rico Benedetti for the meeting, which was

Firemen Prepare For Blood Bank Canvass

At its February meeting the General department of the Daly City Fire department voted to make a city-wide canvass to secure donors for the San Mateo County Blood Bank. Chief Andrew P. Chesney said the firemen hoped to get pledges from approximately four thousand local people.

Pledge cards, supplied by the blood bank, will be distributed by the firemen in their campaign. Public cooperation is asked because this is a patriotic service by the firemen and all who give their blood will be aiding the home and fighting fronts by keeping up the reserves of life-giving plasma.

To Install Honor Roll Plaques Soon

Work of installing the two large honor roll plaques to hang in the main foyer of the city hall, 75 Wellington avenue, was begun this week. Councilman John J. Fahey sr., chairman for the project, reports that hundreds of the plates bearing names of local servicemen are now on hand. Additional names can be added to the boards at any time and after the plaques are installed families and friends of men and women in the armed forces are invited to check the lists and report any names which should be included.

The honor roll plaques are ornamented with two American flags and a golden eagle. They are glass encased and have handsome wood frames.

The names of those who lost their lives in the service of their country will be indicated by a gold star.

Object is to have every local man and woman in the armed forces honored with a listing on these plaques.

NO MEETING

There will be no meeting of the Daly City Civilian War Council, tonight, February 17, due to cancellation of the session made, Monday of this week, by city officials.

Routine matters which would have been taken up by the council, this evening, were put over until the first Thursday in March, March 2, 8 p. m., at the city hall, 75 Wellington avenue.

Arthur J. Bodien, director of the council, reports that Mrs. Imelda Jackson, newly appointed personnel officer for the war council, has begun work on bringing the records of volunteers up to date.

Registration Will Close On March 2

Registration for the city election in April will close, Thursday, March 2. All local residents, especially newcomers, not as yet registered to participate in this municipal election were advised to sign up before the deadline.

Registrars include City Clerk B. C. Ross at the city hall, 75 Wellington avenue, and John J. Fahey sr., 3 Wellington avenue.

Those automatically eligible to vote are residents who voted in the last state election and who have not changed their address since that time. All those who failed to vote in the last state election or who have subsequently moved to a different residence must reregister by March 2.

Filing of nomination papers for Daly City elective posts will close promptly at noon, March 11.

Students Respond To Help Save Life

Prompt response on the part of students at Jefferson Union high school to an appeal for blood donations was credited with saving the life of Darlene Copeland by her parents, Mr. and Mrs. Jay Johnson, 243 Miriam street.

Miss Copeland, a senior at the high school, became ill with a cold the first week in February. Several days later, the main artery over her heart collapsed. Doctors held no hope for her life unless enough raw blood for numerous transfusions was secured at once. It had to be blood given by young people Miss Copeland's age.

Tuesday, February 8, Principal James Ferguson announced the facts in the case at an assembly program. Response was immediate with more than 75 students volunteering at once. Many more wanted to help but were too young. Walter Hughes, student at Jeff, was especially helpful in getting immediate volunteers, Johnson said.

The student volunteers were taken to the Irwin Memorial Blood Bank in San Francisco by Johnson.

Another contributing factor in saving Miss Copeland's life was the securing of three shots of penicillin.

Mr. and Mrs. Johnson expressed their deep appreciation to the high school, to Principal Ferguson, and to the students.

"Jefferson really came through!", Johnson said.

Early this week Miss Copeland was reported rallying but not entirely out of danger.

Install American Red Cross First Aid Station

First aid facilities for Daly City are being materially improved by the installation of an American Red Cross first aid station in the Company No. 1, D. C. F. D., firehouse at 188 Santa Barbara avenue, according to Fire Chief Andrew P. Chesney.

Signs pointing to the location will be put up shortly. Open at all times, the first aid center will give added protection to residents in the event of any kind of disaster. Much of the paraphanelia and supplies is already installed and the station will be in A-1 operating condition in a few days, Chesney said.

Dean Wood has been named No. 1 man on call for first aid cases here, replacing Kai Petersen who moved away from this community recently. The station may be contacted by calling the local police department, RAndolph 4212.

Additional emergency protection was made available, this week, when the ambulance donated to the city by J. W. Marchbank for use during the wartime crisis, was completely outfitted for action. Police Chief James G. Reardon pointed out that it is kept stationed at the rear of the city hall, ready for immediate use.

Town Of Colma Plans For Election

Plans for holding the biennial city election were made by the city council of the Town of Colma, at its regular monthly meeting in the temporary city hall, Monday morning. Votes will be cast, Tuesday, April 11, when three councilmen are to be elected. Terms of Mayor Paul Delucchi, and Councilmen Peter Barsi and Bartley Flynn expire this year.

In a resolution passed by the group, a single voting precinct for the incorporated area was established, at the temporary city hall, now housed in the E. A. Weisenburger building on El Camino Real. Voting will take place between the hours of 8 a. m. and 6 p. m., with the officials yet to be selected.

Filing for the offices by candidates will close March 11, and registration of voters, for this election, will end March 2. Upon motion of Councilman Mattrup Jensen, it was voted to publish, in the Daly City Record, a list of the nominees after the closing date for filing.

Following reports on the condition of Chief of Police Joe Cavalli and City Judge C. E. Lowe,

Ordinance No. 247 "establishing a fire department in the City of Daly City and providing for the management and control thereof; providing penalties for the violation thereof; and repealing inconsistent ordinances" was unanimously adopted at the Monday night meeting of the city council. It will take effect and be in force at the expiration of thirty days from its passage.

The entire ordinance was read, having been introduced at the previous regular council meeting. Councilman Edmund Cavagnaro made a motion to adopt the ordinance, which has taken long months of study to draw up. Detailed description of the personnel of the fire department, their qualifications,, duties, responsibilities, and compensation, as well as the administrative structure for the department, is given in the new ordinance. It is published in its entirety on page 11 of this week's Daly City Record as a city legal.

Councilman Eugene V. Lynch introduced an ordinance which will fix the salary of the city clerk to be consistent with the times and with the many years of service involved, and also fix the salary of the city treasurer in line with increased duties. It will be read at the next regular meeting.

The entire council was present, Monday night. City officials on hand were Clerk B. C. Ross, Police Chief James G. Reardon, Health Inspector Fred Collins, Attorney F. E. Hoffmann, Fire Chief Andrew P. Chesney. Mayor A. J. Gaggero opened the session at 8:30 p. m.

A letter from the governor's office was read advising the council that this city's civilian war council has been duly certified and accredited and volunteers would be eligible for compensation in the event of injury as provided under the State War Council.

Under committee reports, Councilman Cavagnaro stated that the library reported 22 new members and the collection of $28.75 in fines for January. Councilman Fahey announced that the honor roll plaques for local servicemen would be installed during the week at the city hall.

Purchasing Agent Bodien was asked to get bids on 3-4 inch water hose, 500 feet of it, for the parks.

Considerable discussion was held on the dangerous conditions existing along certain sections of sidewalk along Mission street below the business district. Action of some sort will be taken shortly, the council indicated. The possibility that adequate guard rails would solve the problem was ad-

DALY CITY NEARS QUOTA MARK IN FOURTH WAR LOAN CAMPAIGN

Although final figures were not available, Tuesday night, February 15, at the close of the Fourth War Loan drive, Daly City had apparently acquitted itself well in meeting responsibilities of a $140,000 quota. The Daly City branch, Bank of America, had final figures as of the close of business, Tuesday evening. Purchasers there had bought $92,184.75 in government savings bonds and tax notes during the campaign. Total bonds sold was 1,802.

At the Daly City theatre, where a War Bond Booth operated nightly during the entire campaign, January 18 through February 15, more than $15,000 in bonds was sold, bringing Daly City's known total to $105,184.75. In addition, the Daly City post office has sold many bonds during the drive and its figure may well show Daly City meeting or exceeding its quota.

Theatre Manager Henry Combe thanked the organizations which served at the bond booth during the drive. They were: Old Glory Post and Auxiliary No. 2044, V. F. W.; El Carmelo Parlor No. 181, N. D. G. W.; Daly City Fire department and its ladies' auxiliaries; Daly City Post and Unit No. 410, American Legion.

Both grammar school pupils and high school students here pitched into the campaign with mop-up operations, Friday, February 11 through Tuesday, February 15. Quota for each school was one $18.75 War Bond sold for each child enrolled in the school.

At Jefferson Union high school enthusiasm ran high as bond sales resulted in pushing nearer the objective of purchasing a P-38 for the armed forces. The school was only $7,600 short of the purchase price, last weekend.

Colma district, by early this week, had topped its quota and reached 125 per cent. Final figures and the list of able workers will be published next week when tag-end details are completed.

Friday, the second day of the school drive for the sale of extra bonds, was an exciting day for Jefferson elementary school pupils. The pupils made an excellent contribution to the bond drive and had a lot of fun and wholesome excitement with it. They purchased their bonds at the

Announce Essay Contest Winners

The annual Lincoln essay contest was held, last week, in the grammar schools of the Jefferson district and at Jefferson Union high school. Winners in the grammar school division were June Wilmoth, first place, high sixth grade, Jefferson school; Nemesio Paredes, second, high eighth grade, Crocker school; Barbara Beck, third, low fifth grade, Woodrow Wilson elementary. At the high school, Barbara Blecher took first place and honorable mention was given essays submitted by Jack Palm, Roy Lundgren, and Verna Moresco.

In the grammar school division the selection was made by representatives of the various P. T. A.s and at the high school the faculty

War In Pacific Theme Of New Film

The screen's first mighty drama of the Pacific glory hole, where America first tasted victory and Japs first swallowed defeat, will be seen starting tonight when "Guadalcanal Diary" opens at the Daly City theatre.

Based upon War Correspondent Richard Tregaskis' best-selling book of the same title, "Guadalcanal Diary" will have Preston Foster, Lloyd Nolan, William Bendix, Richard Conte and Anthony Quinn in the leading roles, with Richard Jaeckel, Roy Roberts, Minor Watson, Ralph Byrd, Lionel Stander, Reed Hadley and John Archer.

"Guadalcanal Diary," the book, has been one of the country's top best-sellers for the past year. A Book-of-the-Month Club selection, it has been re-printed in several editions; it ran in Cosmopolitan magazine; scores of newspapers published a pictorial serialization.

While Guadalcanal island, a name unknown to 99.99 per cent of America two years ago, has become as familiar today as Kokomo, Oshkosh and Brooklyn, the picturization provides the first opportunity to see the actual conditions under which the gallant Marines, who led the occupation, fought.

20th Century-Fox, which has what almost amounts to a monopoly on outstanding literary properties—Wendell Willkie's "O n e World," Charlotte Bronte's "Jane Eyre," Betty Smith's "A Tree Grows in Brooklyn," and Franz Werfel's "Song of Bernadette" are owned by this studio, to name just a few—has brought "Guadalcanal Diary" to the screen.

The film opens on a quiet Sunday in mid-Pacific. Father Donnelly, former All-American from Notre Dame, is conducting services for the Protestant men aboard, for he is the ship's chaplain, serving all faiths.

Soon the "grapevine" passes along the word that they are soon to land on an island occupied by the Japs—and in a matter of hours it is revealed to be Guadalcanal!

Just before dawn a few days later, under a roaring barrage of naval-fire and air-power, the Marines pile into their landing barges and head for shore.

From this graphic beginning, the film tells the stirring drama of America's first smashing victory against Japan — and tells it through the eyes of "Taxi" (William Bendix), who longs for Flatbush and 'them beautiful bums'; "Hook" Malone (Lloyd Nolan), the sergeant whose men swear by him and at him; "Tex," "Soose" and the others, and Father Donnelly, played by Preston Foster, who is right with the men where the fighting is fiercest.

Hold Funeral Services For Mrs. Anna Hartwell

Mrs. Anna Hartwell, 80, a resident of Colma, passed away, Thursday, February 10, at Peninsula sanitarium. Funeral services were held at the W. C. Lasswell and company chapel, Saturday, February 12, at 10:45 a. m.

Interment was at Holy Cross cemetery.

Current Attraction At Daly City Theatre

The situation is well in hand after the hard-fighting Marines dislodge the Japs from the fiercely-held strongholds in 20th Century-Fox's stirring picturization of Richard Tregaskis' "Guadalcanal Diary," opening tonight at the Daly City theatre. Heading the cast of the story of America's first taste of victory, are Preston Foster, Lloyd Nolan, William Bendix (above right), Richard Conte and Anthony Quinn. Lewis Seiler directed the film.

Brief Session At Friday's Court

Friday's city court session, under Judge William J. Sweeney, was brief with only three fines meted out.

Timothy Sullivan, 409 Van Ness avenue, San Francisco, paid a $3 fine for overnight parking. Walter G. Carter, 290 St. Charles avenue, San Francisco, was fined $50 for drunken driving.

Manuel J. Lara, 80 Julian avenue, San Francisco, forfeited $5 bail for non-appearance. He had been charged with violation of City Ordinance No. 209, drunk in a public place.

both of whom have been seriously ill for some time, it was voted to terminate the office of police chief for the present time. While it will probably be resumed at some time in the future, the board stressed the fact that no change in personnel is contemplated.

In the other case, it was decided that City Clerk E. A. Weisenburger should handle the duties of city judge and health officer, formerly performed by Lowe.

A further investment of $1000 of the Town of Colma's funds in War Bonds for the Fourth War Loan drive was authorized, bringing the total of such securities purchased by the municipality to $7000.

Present at the session were Mayor Delucchi, Councilmen Jensen, Barsi, Fred Lane and Flynn. City Treasurer Henry Kempf, and City Attorney Charles Gebhardt.

County Health Dept. Issues Weekly Bulletin

Communicable diseases were at a minimum for the week ending January 29 in Daly City according to the bulletin of the San Mateo County Department of Public Health and Welfare. There were only three cases of chicken pox, one of scarlet fever, and one of mumps for the period.

The bulletin also pointed out that 2,210 known births occurred to residents of San Mateo county during the year of 1943. Of these, 1,563 occurred in the county and the balance, 647, occurred in neighboring counties. In Daly City there were 202 out-of-county births and in Colma, 28. Daly City's high total in this tabulation is readily explained by the proximity of San Francisco and its hospitals.

Berliner Announces Deputies' Itinerary

The itinerary of deputy collector's for this district was announced today by Collector of Internal Revenue Harold A. Berliner, in San Francisco. Those needing help and advice in preparing their income tax returns, were urged by the collector to visit the deputy when he is in their locality.

In Daly City, Deputy E. Armenio will be at the Daly City branch, Bank of America, San Jose avenue and Mission street, February 29, March 1, 2, and 3, and at the Colma branch, Bank of America, Mission road and San Pedro avenue, February 25, 26, and 28.

Draft Board Plans Saturday Meeting

Nearly one hundred men from Daly City Draft Board No. 103 will take pre-induction physical examinations under the new plan established for selective service, Monday, February 21, according to Mrs. Isabelle Flynn, chief clerk. The group will meet on the preceding Saturday, February 19, 1 p. m. at the draft board headquarters in the city hall, 75 Wellington avenue. A leader will be appointed and final instructions issued.

Two small calls for men for the armed forces have been received. On February 28, the Navy wants five men from the local board for induction, and on February 26, the Army has asked for four men.

Valentine Dance Was 'Huge Success'

Gay red and white decorations, pretty girls in formals, music furnished by the popular Indians of Rhythm from Jefferson Union high school all went to insure the success of the Saturday night, February 12, Valentine dance given at Fort Daly City under the auspices of the Daly City Servicemen's club. Approximately two hundred enjoyed the festivities.

This week's hostess organization at the center, 6201 Mission street, is the Ladies Auxiliary to Company No. 1, Daly City Fire department. Next week, February 20 through 26, will be handled by the Stitch and Chatter club.

Tuesday evening, February 15, Mrs. Arthur Crooker, 88 Risel street, sent a beautiful, big birthday cake to the center for the boys in honor of her own son's birthday. He is Bob Crooker, just 20, who is now serving with the U. S. Army in Africa.

The regular weekly dance will be held at the servicemen's club, Saturday evening, February 19, with a pleasant evening in store for the men.

RAYMOND CLAPPER

The American press and the American people have suffered a real loss in the death of Raymond Clapper, who was killed in a plane crash during the invasion of the Marshall islands.

By the highest standards of his profession, he was a fine newspaperman. He was fair, courageous and responsible.

At the age of 51 he had spent 28 years in newspaper work and had traveled hundreds of thousands of miles in gathering news first hand. He was "on the job" to the very end.

INFLATION, THE BOGEY MAN

"The threat of inflation is being used as a bogey man to induce a nation to accept social reform, regimentation, limitation of opportunity and incentive. Before the war ends, it will be used to hide social economic mistakes and to conceal from the public the sad state of economic affairs into which the nation has been thrown.

"Inflation comes when there is too much money and too few things to buy. High prices result from inflation—they are not the cause. Inflation is avoided, or remedied by increased production—not by regulation. To date, our government has done much to promote inflation, including propagandizing it, and nothing to prevent it."—F. H. Sexauer, president, Dairymen's League Cooperative Association of New York.

EVERYONE'S RIGHT

"Freedom of speech is the precious right of all persons. It is not lost because one becomes an employer of his fellowmen, nor should it be lost by an employe when he associates himself with a union."—St. Louis Post-Dispatch.

RATION WRINKLE

On February 27 a new wrinkle will be added to the ration program. And for a time a new wrinkle may be added to the forehead of the American housewife. On February 27, ration tokens will make their debut.

They will come in two colors—red and blue—red for meat, butter, etc., and blue for processed foods. Each token will be good for one point. These dime-sized chips are being introduced as a means of saving paper, labor and money, and of providing a better method of making change in ration points.

They may seem a bit cumbersome and annoying at first, but they will help make your present ration book last two years instead of a few months.

This new system will also be somewhat trying to your chain or independent food retailer until he gets accustomed to it. So if things don't go smoothly right off the bat, don't blame him. Just remember, this is war.

Two billion tokens have been manufactured, but the OPA warns that they must be kept circulating if we are to have enough for normal business needs.

These new ration chips may get mixed up with the small change or the street-car tokens in the housewife's purse, but eventually she will develop the technique of picking them out. Their color should help make them distinguishable.

The answer to the whole problem is, let us all work harder for victory and hasten the day when ration tokens will be—just souvenirs.

REGISTER NOW!

There have been weeks of protracted debate in Congress over ways and means of enabling our soldiers, both overseas and in training camps, to vote at this year's elections. And probably no matter how difficult it may be, ballots will be gotten to the servicemen.

Under the circumstances, it is ironic, indeed, to learn from our State election officials that California voters on the home front, in far too many instances, haven't even taken the trouble to register. Our registration totals are at the lowest point in years, despite the fact that California is bulging with new residents.

The deadline for registering for the May primary is April 6. If you aren't registered, get registered—and do your duty on election day. Now, more than ever before, our votes are important. Let's not fail to make them count!

Jefferson Grammar School News Items

Students comprising the new high eighth grade in Jefferson elementary school are as follows: Mary Ann Bartels, Carolyn Fuchs, Leontine Oberg, Doris Parodi, Rena Pellici, Robert Benassini, Nathan Chelone, Eugene Lagomarsino, Leland Michiletti, Donald Mossi, David Nolan, Paul Troche, Charles Wieland, and John Zgraggen.

The new social studies unit of the eighth grade is "National Parks and Monuments." Motion pictures, slides, stereographs and reference reading lists have been assembled by the teacher, who will use them in every way best calculated to arouse student interest in the subject.

The seventh grade new social studies unit is "Conservation of Our National Resources." The class bulletin board now displays pictures showing erosion of soil and its far-reaching, disastrous effects on fields, forests and animal life.

Third and fourth grade children are doing a cooperative "Life of Abraham Lincoln" and making some very fine pictures to illustrate the story.

The second and third grade children are set to learn all about the dairy business. As there are several large dairies in the vicinity of Colma, the more enterprising children will be able to bring a lot of first hand information to their teacher and to their fellow classmates. The teacher has listed upon the blackboard several dairy topics that the class decided they wanted to talk about.

Among the new students who have registered for the spring term are the following: seventh grade, Joseph Lunghi returned from Richmond and Dale Smith transferred from San Luis Obispo county. In the kindergarten newcomers are Joan Burgard, Louise Hull, LaVerne Nannini, Jean Trutheway, Richard Alderson, Robert Perata, John Sciutto, and Henry Shields.

Navy Ups Age Limit For Officer Personnel

To meet increased needs for officer personnel, the Navy today upped the age limit for men wishing to serve as general duty officers from 35 to 38 years of age. Men, under 38, in nearly every type of civilian activity, are eligible to apply for general duty commissions now at the Offices of Naval Officer Procurement in San Francisco, Salt Lake City, or Denver.

Applicants, who meet the educational and physical requirements will be commissioned to serve as deck officers aboard naval vessels of all types. All applicants engaged in essential war work are required to have a certificate of release from the War Manpower Commission.

Party Honors Councilman, Wife

Mr. and Mrs. Leslie Nicolini, 320 North Parkview avenue, gave a party in honor of the twenty-fifth wedding anniversary of Councilman and Mrs. Edmund Cavagnaro, Sunday evening, February 13. The Cavagnaros, who reside at 428 Irvington street, are pioneer residents of Daly City and have long taken an active part in civic and social affairs here.

Supper was served at a beautifully decorated table and many lovely gifts were presented to the guests of honor.

Those present in addition to the hosts and guests of honor were Mr. and Mrs. Ambrose Linden and daughter Gloria, Mrs. Henry Volkman jr. and daughter Judy, Mr. and Mrs. Frank Devlin and son and daughter Frank and June, Mr. and Mrs. Harold Menize, Leslie Nicolini jr., Mr. and Mrs. Enrico Varni and son Richard.

Walter Cavagnaro, U. S. Navy, and Mrs. Robert Wright, the former Miss Lillian Cavagnaro, son and daughter of the couple, were unable to attend due to being far from home.

READING & WRITING

BY Edwin Seaver AND Robin McKown

BACK in the 1920's, one of the first men to realize the potentialities of evil in the outcast, spy, and beerhall ranter, Adolf Hitler, was the journalist, Konrad Heiden. To arouse the democratic leaders from their lethargy, he wrote "History of National Socialism," which was suppressed and publicly burned in Germany when Hitler came to power. He followed this with his "One Man Against Europe."

KONRAD HEIDEN

Now he has completed a comprehensive book about the world's Number One Nazi, titled "Der Fuehrer," which the Book-of-the-Month Club has made its selection for February.

Konrad Heiden was born in Munich, in 1902, the son of a labor union official. In 1923, he joined the staff of the Frankfurter Zeitung, with the special assignment of covering the Nazi movement in Munich. Then, as now, Hitler appreciated the power of publicity. Although Heiden always wrote denunciations of him, Hitler paid him homage because he was a reporter. On several occasions, in fact, he refused to start a meeting until the representative of the Frankfurter Zeitung arrived. That is how Konrad Heiden got the reputation of being "the man who kept Hitler waiting."

Heiden is also credited with being the originator of the term "Nazi." At first, Hitler's party called themselves "Nasos"—the normal abbreviation of "National Socialism." As a term of derision, Heiden referred to them as "Nazis." In the Bavarian villages, Nazi (a corruption of Ignatius) is slang for bumpkin or simpleton. Soon "Nazi" was used so widely the party adopted it officially.

Hunted by the Gestapo, Heiden was forced underground, and in 1933, he escaped to the Saar, where he edited a paper campaigning against the return of the Saar to Germany. After the fight was lost, he fled to Paris. When war broke out he was interned in a French concentration camp. As the Germans approached, the prisoners were evacuated, and he made his way south across France on foot. After incredible adventures, he reached Lisbon and eventually America. His three years here have been devoted to the writing of "Der Fuehrer."

When the fabulously successful theatrical producer and actor was a little boy, relates Ward Morehouse in his biography, "George M. Cohan," his dislike for school was only equalled by his aversion for violin lessons. Many years later when George and his father were dining at a fine hotel, they were both impressed by a violin solo rendered during their meal. "Say, dad," spoke up George, "perhaps if I had given more attention to my violin lessons I might be playing here." "Yes, George,"

Scout Banquet

Ray Lagomarsino, Robert Sayko, Eric Durkins, and Alfred Christensen. All of these Scouts were installed as Den Chiefs and issued their insignia.

The Cub pack is growing so fast that it will be necessary to close it to additional membership until the Boy Scout troop grows and more den chiefs are available. Den mothers are also needed.

The following boys were admitted to the Cub Pack as Bobcats and will begin working on the Wolf rank, they are: Lewis Goodson, Lanny Adimy, Louis Meek, Stanley Davis, and James Jones.

Harold Mosman, Alexander Findlay, Bill Lemon, Robert Raine, Frank Garcia, Ronald Palm, Ronald Hoerner, Raymond Lemaster, Fred Vaznaugh, Alfred Smith, Loren Wedel, and Billy Ritter were advanced to the Wolf Cub rank, all having completed the twelve necessary requirements.

Wolf Cubs receiving the Gold Honor Arrow were: John Morrow and Robert Gallagher. Roger Lillo received his Bear rank.

A one year service insignia was awarded to Cub John Morrow and a two year star to Cub Alexander Findlay.

The following Scouts and Cubs were in attendance at the special Boy Scout services conducted in their honor by Reverend D. C. McKisson, group chaplain, at Grace Church of the Nazarene: George Ritter, Alexander Findlay, Bill Lemon, Frank Garcia, Ronald Palm, Raymond Lemaster, Ronald Fox, Edwin Gallagher, Jack Alain, Ervin Short, Alfred Smith, Donald Reed, Paul Hopkins, Loren Wedel, Billy Ritter, Lewis Goodson, Lanny Adimy, Louis Meek, and James Jones, of the Cubs. Scouts were: Robert Sayko, Edward Smith, Jacob Hummel, Leslie Bock, Eric Durkins, Alfred Christensen.

Ray C. Hatch, local council Scout executive in charge of education, was present and officiated in the presentation of the troop and pack charters. He was assisted by Group Committee Chairman Neil H. Edwards and Reverend McKisson.

At 3 p. m. in the afternoon, five scouts and 16 cubs accompanied by their leader, Joseph Straughan, attended a church parade and special council-wide Boy Scout Sunday service. A special Boy Scout Sunday streamer was awarded to each unit participating. Five of the Cub Dens received streamers and, with the scout patrols, the pack and troop flags, the group came home with nine streamers.

Mrs. L. Lemon assisted in transporting the boys to and from the church; however, the cubs and scouts don't seem to appreciate nice cars when there is half a chance to jog along in "Soy Bean III" (which by way of interpretation is the Scoutmaster's old truck).

For all the Cubs and Scouts who wore their uniforms during Boy Scout Week a big field day was promised for Washington's birthday.

CONGRESSMAN SEEKS REELECTION

Congressman Jack Anderson, who has represented the Eighth district in the Congress for the past six years, will be a candidate for re-election in the May 16 primaries, according to information received, this week, from Anderson in Washington. In the past two elections Anderson has been retained in office at the primaries.

Glenn R. Baker, prominent insurance executive and civic leader of the Eighth district, who has been Anderson's field representative here for several years, announced the Congressman will file from his home county of San Benito, where he was widely known as a fruit rancher before going to Washington. Other counties of the district include San Mateo, Santa Clara and Santa Cruz, and Baker said campaign headquarters will be in San Jose.

Tonight, February 17, Congressman Anderson will be heard over Radio Station KQW between 9 and 9:15 o'clock in another of his reports to the district on national affairs.

Since going to Congress, Anderson has been a member of the important House Naval Affairs committee, and has participated actively in many of the committee's wartime activities, including far-reaching investigations into naval affairs both in the East, and on the Pacific coast. Just prior to the outbreak of war, Anderson made personal investigations of some of the country's most strategic Pacific outposts, now the scene of important battles.

In addition to his naval affairs activity, Anderson has taken a deep interest in agriculture, and was instrumental in helping farmers of the state import Mexican labor to save California crops, after war activity called thousands of farm workers into service and war plants.

During the past year Anderson has taken a keen interest in the welfare of returning veterans, and has devoted much time to correcting injustices many veterans experienced in their release from the service.

In discussing Anderson's activities as Congressman today, Baker pointed out he is one of the few members of Congress who goes on the radio every month to report happenings in Washington to his constituents. In addition Baker says Anderson has kept in close touch with conditions in his district and has given much time to solving agricultural and industrial problems arising here. He has kept in close touch also, Baker declared, with every agency of government, and in so doing has rendered invaluable service to the home front in this area.

"Hats off to Studebaker for cars that stand up in wartime"

SAYS W. M. Byrd, engineer on a U. S. Navy job at Bay City, Michigan: "My hat's off to Studebaker. You're certainly right when you say the Studebaker Champion is engineered to save an owner money and built to withstand hard punishment.

"I know. I've owned three Champions. The one I'm now driving, a 1941 model, has 31,000 miles on it and its tires look good for 30,000 miles more.

"My two previous Champions gave me remarkable mileage over rugged West Virginia mountain roads.

"On the three Champions, my total maintenance bills, outside of proper servicing, did not exceed $40."

Mr. Byrd's experience, after two years of war, is matched by that of many other Studebaker owners.

Other news items from the police department include the following events:

Thursday, February 10, at 5:02 p. m., Officers Henry Sundermann jr. and August Benassini handled an accident which occured at Flournoy street and San Jose avenue. Edwin H. Lindsey, 407 Santa Barbara avenue, motorist, ran into 6-year-old Joan Sartori, 3285 San Jose avenue. The child was taken to Alemany Emergency hospital and later returned to her home where she is recuperating from bad bruises.

Officer Benassini responded to a call from Alemany hospital, February 10 at 11:30 p. m. where five young men had been taken for treatment when a rock was thrown against the window of the Oldsmobile sedan in which they were riding near the Serbian cemetery. Harold Mount, 178 Winchester street, was reported as likely to lose the sight of his right eye as a result of cuts, while Peter McDonald, San Francisco, had a cut on his left hand.

Officer George Hopman investigated an auto and street car accident at Mission and School streets, February 13, at 1:45 p. m.

Announce Third Nationwide Exam

Martinus Van Waynen of the Jefferson Union high school faculty has announced that the third nationwide test for candidates who wish to be considered for the Army Specialized Training program A-12 and the Navy College program V-12 will be held, March 15, 1944, at 9 a. m.

The Army-Navy College Qualifying test makes it possible for men to become earmarked for special consideration for this program in advance. Civilian men who will be 17 but not yet 22 on July 1, 1944, who are high school graduates or who will graduate by July 1, 1944, are eligible to take the test.

The qualifying test, as the name suggests, is the first step in the selection of men for the college programs of the Army and the Navy. The test will be given only on the morning of March 15, 1944.

Daly City men interested in the training are advised by Van Waynen to contact him at the high school for information and for the necessary admission-identification form which the applicant must have with him on the morning of the examination.

vanced.

Councilman Lynch made a motion that the city purchase $10,000 worth of government securities before the Fourth War Loan drive closed. It was unanimously adopted subject to the approval of City Auditor Piatt.

Daly City went on record as favoring the plan for the erection of a $75,000 War Memorial building here as proposed by the San Mateo County Planning commission. Councilman Howard McHugh made a motion that the council endorse the plan as a post-war project and indicate Daly City's willingness to provide an adequate site, provided this city's building was among the first five constructed. The motion was unanimously carried.

Bodien announced that there would be a meeting of city officials from Daly City, San Bruno, Colma, South San Francisco, and the Coastside at the city hall, tomorrow night, February 18, to discuss the establishment of a joint planning group for the north end of San Mateo county.

After the reading of claims, the meeting was adjourned until Monday evening, February 28.

Voting Information For Armed Forces

Frank M. Jordan, Secretary of State, has called upon all California newspapers to aid in disseminating information concerning voting by those in the armed services.

Asking newspapers to publish the information so friends and relatives could advise overseas personnel by mail, Jordan said the pertinent facts were:

1. In order to vote those in the armed forces must forward the card provided by the Federal government to the Secretary of State of California or a letter to the county clerk of the county in which he previously resided, requesting an absent voters ballot.

2. It is important the prospective voter, in addition to answering questions contained on the card, designate his party affiliation. If party affiliation is not included and the applicant has not previously registered to vote, he will receive only a non-partisan ballot.

Friends and relatives are urged to inform those away from home of this information.

Further information may be obtained from the San Mateo county clerk at Redwood City.

Peninsula Branch Y. M. C. A. Plans Dinner

The nineteenth annual dinner of the Peninsula branch, YMCA, will be held Tuesday evening, February 22 at 6:30 o'clock at the Burlingame Methodist church, Howard and El Camino Real, Burlingame, according to an announcement made by William Brown, chairman of the annual dinner committee.

The speaker for this occasion is James Lee Ellenwood, executive secretary of the YMCA of the State of New York. Dr. Ellenwood is a graduate of Columbia University. He was a minister of the Methodist church prior to entering the YMCA. He served in the navy as a chaplain during the last war. He is the author of two books on family life that have obtained wide popularity, "There Is No Place Like Home" (1938) "It Runs In The Family" (1942). He is known to YMCAn audiences for his book written in 1940 "Look at the 'Y'."

In addition to Dr. Ellenwood there will be a model Hi-Y Induction ceremony and the annual installation of officers of the board. Toastmaster will be Robert Gros. Dinner reservations may be made by calling Burlingame 4-3697 or Redwood City 4578.

Turn FOOD *into*
EFFECTIVE WORKING STRENGTH

You can't be a dawn buster riding a tractor or go sweating through a work-shift in a war plant...hour after hour ...on food that fails to fire up your energy. No, sir...your grub has to keep your stomach contented with a staying quality that keeps delivering effective working strength.

EAT THE RIGHT FOODS EVERY DAY FOR HEALTH

Food for physical fitness depends first, upon buying the right kinds of foods and second, on how you take care of it and how you prepare it to preserve greatest nutritive values.

When you buy food think of all your meals for the day so that your family gets the proper nutritionally balanced diet. Be guided by the Government recommended chart of the 7-Basic Foods which supply the essential protein, vitamins and minerals for better than average diet.

After you buy your day's food take care of it. Keep it under proper refrigeration.... Fresh vegetables for example, quickly lose vitamin content if exposed to room temperature. Cook foods according to correct time and temperature and for most vegetable cooking use little or no water. A thorough steam-through is the proper thing to do.

America is depending upon the full output of her Home Front workers. Keep your muscles strong, your head clear and your eyes bright by eating the right kinds of food.

handled the judging. Name of first place winner in each division is engraved on the respective plaques, originally presented by Arthur J. Bodien, city official.

This makes the ninth time that Jefferson elementary school has captured the prized plaque. The school which has first place winner keeps the plaque during the ensuing year and it hangs in the room in which the pupil is enrolled. Woodrow elementary has had the plaque twice and Crocker once.

The winning essay in the grammar school division is published herewith and the essay of Miss Blecher from the high school will appear next week.

ESSAY

By June Wilmoth

Since the tragic night of John Wilkes Booth's doubtful triumph and Abraham Lincoln's untimely death seventy years and more have passed.

Many stories, tales, and fables have been written and told about our renowned President—Abraham Lincoln.

His unhappy boyhood has been described the world over. Many have read of the one room lean-to, the faded law books, the rail splitting, the country store, and the girl, Ann Rutledge. They have read and been inspired—inspired to follow in the hallowed footsteps of one of the strongest and bravest of all men.

Brilliant authors have expended their talents in their biographies. Now, I add my few and humble words to the million thoughts already known. I have been born and bred on the Lincoln theme. From my childhood "Old Abe" with his lanky frame, his strong sad eyes, and his humorous kindly smile was my dearest book friend and hero. His remarkable character trait to me was his kindness of heart.

A President of the United States, his deep love of humanity influenced him in all decisions. This great love served as a beacon light for the slaves. It burst into an everlasting flame when Lincoln signed the Emancipation Proclamation.

Today we are fighting another great war for freedom. We have Lincoln's memory upon which to cling.

Lincoln with his high ideals lives all around us. He is in our school system, our great armies, our equality in suffrage, in press, in speech, and in our profound democracy. He is with us as we walk without fear in America, and he will be there when we walk, again, in freedom anywhere in the world.

Though his heart has long been stilled, Lincoln's soul lives on as an immortal beacon, lighting the world's pathway, lighting the world's pathway to victory and eternal peace.

At Daly City Veteran Firemen's Annual Banquet

—Photo by John Craig

More than a hundred members, officials, and guests enjoyed the annual banquet of the Daly City Veteran Firemen's association held, February 5, at Colma Italian cafe. In the picture above are: front row, left to right, Councilman John J. Fahey sr., Councilman Edmund Cavagnaro, Councilman Howard McHugh, Paul G. Selmi, Fritz Hanson. Back row, left to right, includes Emil Forsell, commissioner; Jack Kester, retiring president of the association; Mayor A. J. Gaggero, Fire Chief Andrew P. Chesney, Ernest Romer, incoming association president; Gus Ford, secretary.

Chief Chesney had as his special guests Joe Senger, San Bruno fire chief, and Harry Hayden, Lomita Park chief.

There was a delegation of ten men from the San Francisco Veteran Firemen, headed by Battalion Chief Cooger. County Supervisor Tom Hickey attended.

Mayor Gaggero presented Retiring President Kester with a gold badge in honor of his service. President Romer then presented Secretary Ford with a gift from the association. He also honored Larry Shaw, treasurer, with a gift of a Parker fountain pen from the group.

All-Seasonal

CAPABLE HANDS can fulfill that yearning for a non-crushable, soft-toned, hand-knitted suit IF you knuckle down to the job. Three-ply botany yarn was used by CBS star Alice ("Life Can Be Beautiful") Reinheart to make her year-round suit. The decorative ribbon on her shoulder is the insignia of a China-Burma-India aviator.

Trousseau Tops

DAINTY as an old-fashioned valentine, the fine white cotton batiste negligee and gown worn by CBS singer Vera ("Texaco Star Theater") Deane is an outstanding trousseau favorite. Fragile-looking Valenciennes lace and the delicate bouquet-fastened blue velvet sash bespeak the creative genius of New York's lingerie expert, Emma Maloof.

Our fighting men are doing their share. Here at home the least we can do is put 10% of our income in War Bonds for our share in America.

Julia tells- How to prepare variety meats

WE HOUSEWIVES in the United States are learning how truly delicious many of the less familiar "variety meats" can be. And we're keenly interested, because these meats are relatively plentiful in supply and therefore cost us fewer ration points. We're learning, for example, that

KIDNEYS

are especially choice if they're *lamb* kidneys, but that those of calf, beef, and pork are also good. Simple preparation: wash them well in cold water, and split to make them lie flat; remove white tubes and excess tissue and fat; soak in cold salted water (1 tsp. salt per qt.) about 30 mins.; drain and dry well; cook until just tender, by broiling, sauteing, or stewing.

Kidney Stew: saute onion in drippings, melted butter or margarine; add cut-up kidneys, salt, pepper, nutmeg, Worcestershire sauce, and parsley to taste, and water to cover; cover and simmer for 20 mins. or until tender; thicken with flour mixed to a paste with a little cold water, stirring constantly; serve immediately.

Similarly, with HEARTS

we're learning that both *calf* and *lamb* hearts are tender, that beef hearts take a little longer cooking, and that pork hearts are coarser in texture. To prepare: wash well in slightly warmed water, take out arteries and veins that may be cut away; simmer slowly in water until tender, adding 1 tsp. salt to each quart of water when half done; allow about 2 hours for calf, lamb and pork hearts, about 3-3½ hours for beef hearts.

Braised Heart: instead of par-boiling heart, subject it to low, moist heat in closely covered pan; first brown heart on all sides in small amount of fat and add about ½-cup water; season with salt and pepper; cover and cook in moderate oven (350° F.); allow 1½-2 hours for calf, lamb and pork hearts, about 3½ hours for beef.

And when it comes to TONGUE,

we're learning that all four kinds are good, with beef the favorite of course. To prepare: wash well, scraping and cutting away any excess tissue; cover with boiling water and bring to a boil; then skim water and simmer tongue gently until tender; add ½ tsp. salt per lb. when half done; allow 2-3 hours for calf tongue, 1-1½ for lamb, 3-4 for beef, 1½-2 for pork.

If tongue is to be served hot, remove it from liquid and plunge into cold water for few seconds, thus making it easier to remove skin or root ends. If to be served cold, let it cool in the water used for cooking.

We all know about LIVER

and how appetizing it can be. But not all of us may realize how easy it is to disguise its flavor for those who dislike it. Simply take equal parts of liver and stewing beef or lamb, add 3 tbsps. of flour for each ½-lb. of liver, salt and pepper and grind. Form into patties and fry—or make into meat loaf. If you say nothing about this being liver patties the family will eat and enjoy it!

"Date Conscious"? You'd Better Be--

Here is a list of those ration dates, which make calendar-watchers of all local housewives, motorists, or, in fact, anyone who wishes to eat, drive his car, or buy an occasional pair of shoes.

October 31—shoe stamp 18 (in War Ration Book One) was to have expired but OPA extends expiration date indefinitely.

November 1—Book Three "airplane" series stamp No. 1 became valid; good for one pair of shoes until further notice.

January 1, 1944—green stamps G, H, and J (Book Four) became valid for purchase of processed foods.

January 16—sugar stamp No. 30 in War Ration Book Four became valid and will be good for buying 5 pounds of sugar through the end of March.

January 22—A gasoline coupons became valid, good through March 21.

January 23, 1944 — brown stamps V became valid (Book Three) for meats, etc.

January 30, 1944 — brown stamps W became valid for meats, etc. (Book Three).

February 1—green stamps K, L, M, good for purchase of processed foods became valid, will be good through March 20 (Book Four).

February 6, 1944 — brown stamps X became valid (Book Three).

February 13, 1944—brown stamps Y became valid to use in purchase of meats, etc. (Book Three).

February 20, 1944—brown stamps Z become valid (Book Three).

February 20, 1944—green stamps G, H, and J (Book Four) for buying processed foods expire.

February 26, 1944—brown stamps V, W, and X expire.

February 27—begin use of red and blue rationing tokens for change.

February 27—blue stamps A, B, C, D, E (Book Four) to be used with ration tokens come into use for processed foods.

February 27—red stamps A, B, C, (10 point value each) in Book Four become valid, good through May 20 for meats, fats, cheese, butter.

February 29, 1944—deadline for inspection of tires for B and C gasoline book holders.

March 15—deadline for filing income tax returns; earlier filing is desirable.

March 20, 1944—brown stamps Y and Z (Book Three) expire.

March 20—green stamps K, L, M, Book Four, for processed foods, expire.

March 21—gasoline coupons A No. 10 expire.

March 30, 1944—deadline for inspection of tires for A book holders.

March 31—sugar stamp No. 30 for 5 pounds of sugar expires March 31.

30 DAYS' NOTICE ON STAMP 18

The public will be given 30 days' notice, should it become necessary to terminate Shoe Ration Stamp 18. This announcement was made recently by OPA to "kill" scare-buying rumors that the validity period of Stamp 18 might be cancelled with only 24 hours' notice to consumers.

BROWN POINTS FOR WASTE FATS

For every pound of fat a housewife turns in to her meat dealer or other fat salvager, she receives two meat points, beginning December 13. "But most important," Herbert M. Faust, director of WPB's Salvage division said, "within a month the fat will be transformed into war materials and on the way to the fighting fronts." He reminded housewives to save the grease from turkeys, geese, ducks, and chickens, for the manufacture of war products.

CANNING SUGAR NOW AVAILABLE

Housewives may now get 5 pounds of canning sugar by using Stamp No. 40 in War Ration Book Four, OPA has announced, and additional canning sugar later will be available on application to local boards. Stamp No. 40 will be good 13 months, through February 28, 1945.

A Man-sized Cup of Coffee

A MAN-SIZED cup of coffee for the head of the house will make Dad's breakfast completely enjoyable. All men love good coffee and plenty of it! This big cup with his name on it and full of his favorite brew is just what father needs to get him off to work in a good frame of mind. These days we all need hearty and satisfying breakfasts so be sure that not only Dad but the entire family gets off to a good start every morning.

A plate of hot griddle cakes certainly hits the spot on a cold winter morning. They are especially appetizing when served in Adirondack style . . . six or eight cakes in a stack and cut in pie-shaped portions. Their natural affinity, of course, is a large cup of steaming, flavorful coffee or, better still, two cups. To be truly appreciated that coffee must be freshly made and full of real coffee flavor. Here is the recipe for Stacked Griddle Cakes. It's tested, of course. It will save you the usual necessary butter because the melted brown sugar takes its place.

Stacked Griddle Cakes

2½ cups sifted flour
5 teaspoons baking powder
1 tablespoon sugar
1 teaspoon salt
1 egg, slightly beaten
2 cups milk
2 tablespoons melted shortening or drippings

Mix and sift dry ingredients. Combine slightly beaten egg and milk and stir into dry ingredients. Stir in shortening or drippings. Bake cakes 6 inches in diameter on both sides on ungreased hot griddle. Add more milk if thinner cakes are desired. Sprinkle each cake with brown sugar and stack. Cut into pie-shaped pieces before serving. Yield: 6 servings.

Matoaka Council Makes Scrap Books

The War Activities committee of Matoaka Council No. 18, Degree of Pocahontas, made scrap books for the boys in the service, February 16. Also, the same evening, the social committee, with Mrs. Stella Zanetti hostess for the month, completed plans for a Valentine social, games to be played and refreshments to be served.

The council heeded the Fourth War Loan drive by purchasing two $100 War Bonds. This makes to date the grand total of $3,225 in bonds.

Many of the members have donated several times to the Blood Bank, and several are now going for the first time.

On February 23 the Degree team will drill. There will be games for those not drilling and refreshments will be served.

It's common sense to be thrifty. If you save you are thrifty. War Bonds help you to save and help to save America. Buy your ten per cent every pay day.

News From District Grammar Schools

AT WOODROW

Ray Lagomarsino and Eric Durkins, Room 4, participated in Boy Scout activities which were held in the Church of the Nazarene, recently.

The pupils of Room 5 welcomed Harold Page of San Francisco to their class, last week.

A new student from Everett junior high school in San Francisco was welcomed to the high seventh grade. She is Daphine Barrett who originally came from Alleene, Arkansas.

The pupils of the high fifth and low sixth are beginning their new unit, "Problems of the Machine Age."

Room 15 welcomes two new students to Woodrow Wilson, Violet Page, from Utah, and Nello Bigongiari, from Mountain View.

The children of Room 9 made a research on the number of vegetables grown in San Mateo county and were surprised at the huge variety grown in this county.

Carol Owens from Portland, Oregon, was welcomed to Room 14.

AT CROCKER

Over the weekend, Barbara Miller of Room 2 visited relatives in Turlock.

The students of Room 3 are anxious to start their new unit this term. The unit will be "Farming Through the Ages," and promises many interesting hours.

Elizabeth Olson, Room 4, purchased a War Bond this week. This is one of the many bonds for which Elizabeth has been saving.

Leonard Gonterman, Room 6, spent last Sunday fishing with his father and brother at Dutton's Landing, Napa.

Miss Rosalyn Rose Bride of L. H. Adams

Miss Rosalyn Rose, attractive daughter of Mr. and Mrs. Samuel Rosenberg, 876 Brunswick street, became the bride, Monday, February 7, of Lewis H. Adams, who has just returned from major battles in the South Pacific. They exchanged vows at Temple Emanuel in San Francisco. The ceremony was performed by Rabbi Irving Reichert.

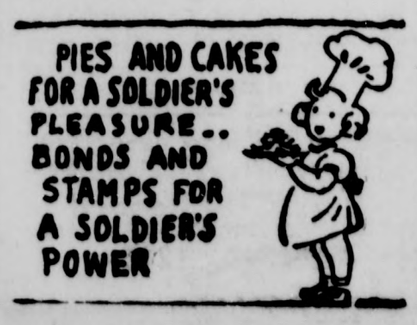
The bride wore an aqua blue suit and brown accessories. She had two deep purple orchids at her shoulder. Mrs. Irene Rosenberg, sister-in-law of the bride, was matron of honor. She was dressed in a beige suit with snake skin accessories. Best man was Maurice Rosenberg, brother of the bride.

Joyce Ann, grand-daughter of Mr. and Mrs. Samuel Rosenberg, was flower girl. She carried an old fashioned bouquet of sweet peas and forget-me-nots. She was dressed in pink and blue taffeta.

After the ceremony, a buffet supper was served to more than fifty people at the home of the bride's parents. The wedding cake was cut and the newlyweds left on their honeymoon.

The groom, a first class petty officer, reports for duty at San Diego, February 24.

Unable to attend the ceremony were Private First Class Bob Rosenberg, who is a radio operator on a transport in Maxton, North Carolina, and Cadet Ben Rosenberg, who is stationed at Madison, Wisconsin.



AT JEFFERSON UNION HIGH SCHOOL

By Verna Moresco

J. N. S.

Sunday, February 6, members of the Jefferson Naturalist society enjoyed a field trip to Thornton's beach, hiking approximately 10 miles. Along the way they observed birds, collected bird nests and found a flower unknown to members of the club.

While at the beach pictures were taken of fossils, and formations of the hills, and also a great deal of clay was found. The club found the caverns interesting.

On Saturday night the club enjoyed a roller-skating party. Refreshments were later served at the home of Beverly Clement, president. The party was given for Don Nelson, graduating member.

Pins for J. N. S. members have arrived. They are the shape of a beetle with the initials J. N. S. inscribed on them.

On February 27 a field trip is being planned to Lake Merced, and on March 19 another one is being planned to the beach.

AWARD

Don R. Nelson, a member of the graduating class, received the Bausch and Lomb Optical Company science award for being the outstanding science student of the class.

This award is given to the student who has shown the greatest interest in and aptitude for the various science courses, biology, chemistry, physics, during four years of school. The student awarded this must also be good in mathematics.

EXECUTIVE

The first meeting of the new executive board was called to order Wednesday, February 9, at 8:04 a. m.

Past President Ken Hatt opened the meeting. Minutes of the previous meeting were read and approved and roll call was taken.

Ken then turned over the office of president to Lenore Ross.

New business: Don Van Kirk was appointed to the office of sergeant-at-arms and Elsie Belli was named yell-leader.

Plans for the new student body cards were discussed.

ABOUT SCHOOL

In an assembly last week the graduating class of February '44 presented the school with a landscape painting.

Another after school dance was held in the band room, Thursday, February 10. Music was furnished by records.

SENIOR EDITIONS

On Friday, February 11, the Senior editions were given out. Editor-in-chief was Gloria Nopper with Metha Woods as associate editor; assistants were Lenore Ross, Helen Dunn, Annette Lasswell, Joanne Marshall, and Carmela Boscolo.

Boys' sports editors were Richard Svani and Bud Fellows. Girls' sports editor was Deloris Thomas, who also prepared the high school calendar.

The mimeographing was done by Beverly Wadiker, Metha Woods, Mary Lou Layne, Helen Oxley, and Florence Jaunch. Cartoons were by Robert Sinclair and art work by Don Van Kirk.

Faculty advisers were Earle Lewis, Mrs. Marjorie Reandeau, and Miss Beth Learned.

The photography class did a great job of making pictures of the graduating class for each book.

The book contained stories of the different societies of the school, a school calendar, poems and stories written by students, a page for the senior autographs.

The edition was dedicated to the members of the War Stamp and Bond committee, and their advisor, Miss Edna Smith for the fine work they have done.

CORRECTION

Last week a story was printed saying what rooms had been 100 per cent. Undoubtedly you are all wondering what they are 100 per cent for. Well, it's for stamps during the month of January. The list included: Miss Mary Bergquist, Miss Hilda Bloom, Oscar Busch, Miss Elda Della Mora, Walter Griffith, Miss Mary Jones, Miss Beth Learned, Mrs. Dorothy Pendergast, Mr. Clive Saiz, Miss Dorothy Smith, Miss Edna Smith, Van Waynen, and C. S. F. This is first period only.

A marriage license was issued, last week, in San Mateo county to **John Peter Berkhout** and **Beula Lucille Jorgensen**, both of Daly City.

Gasoline Taxes Are Not Deductible

Gasoline taxes are not deductible items in making out federal income tax returns, the California State Automobile association advised car owners today on receipt of information from federal officials. This reverses a situation of a year ago when for the first time the California state gasoline tax of three cents was ruled as deductible on federal income tax returns.

Technical basis for the most recent ruling from the federal government is that the state gasoline tax is imposed on the distributor or manufacturer, not on the consumer, and therefore is not deductible. The same rule applies to federal gasoline and oil taxes which also are not deductible.

State and federal gasoline taxes, however, are deductible on state income tax returns, according to a recent ruling of the California Tax commissioner.

Deductible items in connection with automobile ownership are registration fees, vehicle license fees, federal use tax, municipal taxes, state retail sales tax on automobile or accessory purchases, financing charges on automobile purchases which cover interest on the loan when specified in the contract, and the usual operating and maintenance costs for motor vehicles used in business.

Brownie Pack No. 8 Opens Birthday Box

The "Birthday Box" made an appearance at the Thursday, February 10, meeting of Brownie Pack No. 8. Appropriately enough, a Valentine theme was used and the February birthday member, Nancy Findlay, was crowned "Queen of Hearts."

Refreshments, including a birthday cake, were served and there were Valentines for all. Mrs. Van Vliet, mother of one of the Brownies, was a visitor for the occasion.

Leaders who made arrangements for the party, held at Grace Church of the Nazarene, were Mrs. Elsie Hesselein, Mrs. Ethel Saame, and Mrs. Hilda Heagney.

County Historical Assn. Will Meef, This Evening

The San Mateo County Historical association will hold its annual meeting, tonight, February 17, 8 o'clock at the junior college on Baldwin avenue, San Mateo.

Speaker will be Neal Van Sooy, manager of the Stanford Alumni association, and former publisher of the Redwood City Tribune. Subject of his address will be "The History of Newspapers in California."

Election of officers will be held. Dues for 1944 may be paid at the meeting.

Dazzling Folies Nears End Of Run

Clifford C. Fischer's dazzling Folies Bergere of 1944 is now approaching the end of its run at Winterland, in San Francisco, it was announnced today.

Plans of the management call for starting the glittering big show out soon on a tour of other cities. Date of closing will be set within a week, it was stated.

Master showman Clifford C. Fischer, famous throughout America and Europe for his brilliant productions, believes his current Folies Bergere is produced on a grander scale, presents a larger cast, and is more colorful than any of his previous shows.

During the last decade, the name of Clifford C. Fischer has become increasingly familiar to theatre goers of the world. Many have linked it with that of Florenz Ziegfeld, largely because both men specialized in pretty girls and color and framed both in attractive settings and both insisted on having a review with incredible speed.

Fischer is an American by birth and a Parisian by residence. He says he was virtually forced into the production business by the depression.

In the golden days of vaudeville, Fischer was an actors agent. It was his chore to provide jobs for actors whose affairs he managed. As vaudeville slowly collapsed, Fischer felt that it was his responsibility to seek new avenues of employment for his numerous wards.

Fischer found the solution in the theatre-restaurant and proceeded to provide established restaurants with floor shows. Such famous theatres as "Les Ambassadeurs" in France, the London Casino, and the French Casinos in New York and Chicago were operated by the master showman.

University Offers Special War Training

Disabled and discharged service men and women, seeking war work, will be aided in stepping into engineering departments of Bay area war industries in a free six weeks University of California War Training course in engineering drawing starting February 28, at the San Francisco War Training center, 20 Second street.

To those without previous experience in this field, the course will provide a thorough grounding in drafting technique which will equip its members to take advantage of the many opportunities now open in shipyards, engineering plants and other war industries in the area. High school graduation, and the intention to enter war industry, are the only prerequisites for receiving this free instruction. Daily sessions of the class will be held from 8 a. m. to 5 p. m.

Those interested should report at 1 p. m., February 19, at 20 Second street, for a preliminary examination. Full information may be secured by calling the San Francisco War Training center, EXbrook 5377.

Girl Scout Troop Enjoys Party

Girl Scout Troop No. 2 enjoyed a Valentine party during their regular meeting, Friday afternoon, February 11, at Grace Church of the Nazarene, Vista Grande and Santa Barbara avenues. There were refreshments and a Valentine box.

Guest for the occasion was Mrs. Van Vliet who plans to serve as one of the leaders of the troop beginning next month.

D. Of Israel Give Whist Tonight

Mrs. Celia Goldstein is chairman of the regular monthly whist party to be given, this evening, February 17, by the Daughters of Israel at 67 Los Banos avenue. The party will begin at 8:30 p. m. and the public is cordially invited to attend.

The organization announces that instead of holding its second Wednesday meeting in March the session will be held, Wednesday, March 1, 1:30 p. m. at 67 Los Banos avenue. Members are asked to note the change in date.

Ordinance No. 247

AN ORDINANCE ESTABLISHING A FIRE DEPARTMENT IN THE CITY OF DALY CITY AND PROVIDING FOR THE MANAGEMENT AND CONTROL THEREOF; PROVIDING PENALTIES FOR THE VIOLATION THEREOF; AND REPEALING INCONSISTENT ORDINANCES.

The City Council of the City of Daly City do ordain as follows:

Section 1. A Fire Department is hereby established in and for the City of Daly City. Said Department shall consist of paid and volunteer officers and members as hereinafter provided for.

Section 2. The direction, management and control of said Fire Department shall be vested in a Board of Fire Commissioners in and for said City, which said Board is hereby created. The same shall be known as "The Fire Commission of the City of Daly City."

Section 3. The offices of Fire Chief, three Assistant Fire Chiefs, Battalion Chief and Fire Marshal are hereby created. Said officers shall be appointed by the City Council, from the membership of the Fire Department upon recommendation of the Fire Commission and shall serve at the pleasure of said City Council and for such compensation, if any, as said City Council may from time to time determine. The various Fire Companies hereinafter referred to may elect or appoint such additional and subordinate officers as may be desired, with the approval of the Fire Commission and the concurrence of the City Council. In the event of the appointment or other selection of Deputy Fire Marshals by said Commission or by said Companies, such officers shall exercise all of the functions of and shall have all of the powers of the Fire Marshal within any district to which they may be assigned.

The Fire Chief of said City, during the period of any fire in Daly City, shall have police power and is hereby vested with all powers, during such periods of emergency, as are held by the Chief of Police of Daly City.

The Fire Chief of said City is hereby vested with authority, and it is hereby made his duty, to periodically inspect all public or quasi-public buildings within the City of Daly City, as well as other buildings of a private nature which are used for public assemblages. If any public or private buildings as herein designated constitute a fire hazard in the opinion of the Fire Chief, or if any fire hazard is permitted in any such building, said Fire Chief shall have power to order the abatement of said buildings in accordance with the ordinances of the City of Daly City, and the laws of the State of California.

It shall be unlawful for the owner, lessee, manager or the trustees of any theatre, moving picture theatre, church, public hall, building or any place where there is a public gathering for amusement or otherwise to maintain in any such place or places in the aisles, exits or entrances of such place or places or buildings, any chairs, benches, stools or other movable objects, or to permit any person during a performance, exhibition, lecture, entertainment or public assemblage therein to sit or remain standing in any aisle, passageway or stairway in such theatre or public hall.

Section 4. The membership of the Daly City Fire Department shall consist of such number of members, including officers and regular city male employees as the Fire Commission, with the concurrence of the City Council, shall from time to time determine. Membership shall be limited to male citizens of the United States of America who have been a resident in said City for at least one year continuously next preceding an application for membership. All applicants must be between the ages of twenty-one and thirty-five years, inclusive, provided however that such age limit shall not apply to present members of the Daly City Fire Department as at present and prior to the passage of this Ordinance constituted. No application for membership shall be presented to the City Council unless the same shall have been previously submitted to the Board of Fire Commissioners for approval or recommendation. Said Fire Commission in making its recommendations may take into account physical fitness, past experience and other circumstances surrounding the application or the applicant.

The foregoing regulations relating to membership in the Daly City Fire Department are all subject to the provisions of Ordinance No. 203 of said City and further subject to the Rules and Regulations adopted by the City Council pursuant to the provisions of Ordinance No. 203. If any part of this Ordinance is in conflict with the provisions of Ordinance No. 203 or the Rules and Regulations adopted pursuant to the terms thereof, then, and in such event, the provisions of Ordinance No. 203, together with the Rules and Regulations adopted pursuant to the terms of said Ordinance shall be controlling.

Section 5. All male employees of the City of Daly City may be ordered to serve in the Fire Department by the head of the department under which they are employed during regular working hours; and all male employees of said City are eligible to become regular members of the Fire Department of said City providing they apply for such membership within thirty days after the effective date for this Ordinance, or within thirty days after their appointment to employment for said City; provided further that each employee of said City shall have the discretionary right to become members of said Fire Department subject only to the Rules and Regulations of said Department and the provisions of this Ordinance; no male employee of the City of Daly City ordered to serve with the Fire Department by the head of his department during working hours shall be entitled to compensation for attending fires, but provided further that should such employee attend fires during off hours, he shall be entitled to regular compensation therefor.

No Elective Officer of the City of Daly City shall be entitled to compensation as a Fireman under the provisions of this Ordinance or any amendments thereto; provided however that any Elective Officer of said City may be a member of the Fire Department of said City, have all the rights and duties appertaining thereto with the exception of receiving pay for his membership in said Fire Department.

Section 6. The Fire Commission shall consist of five members to be known as "Commissioners". Said Commissioners shall be selected in the following manner, viz., at the time of reorganizing the City Council of the City of Daly City, following the Regular Biennial General Municipal Election therein, one of the members of said City Council shall be appointed Fire Commissioner, or Chairman of the Fire Commission of the City of Daly City by said City Council. The four remaining members of said Fire Commission shall likewise be appointed by said City Council and shall as far as practicable be selected from the membership of the Department and of the various Companies thereof and upon the recommendation of each of such Companies expressed to the City Council through the Fire Commission. All such Commissioners shall serve for a full two-year period until the next reorganization meeting of the City Council, following the next Biennial General Municipal Election and until their successors are appointed and qualified. Said Fire Commissioners shall serve without compensation as Commissioners but shall be entitled to the regular compensation allowed members and may be removed at any time by the City Council.

Section 7. The Fire Commission shall have complete supervision over and control of the use, care and operation of all fire engines, hose, fixtures, apparatus, buildings and equipment belonging to and operated by said Fire Department and over the Personnel of said Department, including both officers and members thereof, subject to the approval of the City Council. Said Commission shall make and cause to be enforced appropriate Rules and Regulations governing the operation, direction and management of said Fire Department, the care and handling of apparatus and equipment and the hours and times of service of members and officers thereof. Said Commission shall have authority to remove permanently or suspend any member or officer of said Fire Department for good cause shown, at a hearing held for the purpose, and subject to the approval and confirmation of the City Council; provided however that the City Council may at any time and of its own initiative suspend or remove any member or officer of said Fire Department; provided further, that the Fire Chief may suspend any member or officer of the Fire Department for cause at any time, which said suspension shall remain effective only until the first regular meeting of the Fire Commission following said suspension. The foregoing provisions are subject to each and every section of Ordinance No. 203 of the City of Daly City, together with the Rules and Regulations adopted pursuant to said Ordinance No. 203.

Section 8. The Fire Chief shall be the head of and in charge of the Fire Department and shall be responsible for the management thereof and for the use, care and operation of all fire engines, apparatus, buildings and equipment belonging to and operated by said Fire Department. He shall be subject to the Rules and Regulations of the Fire Commission and shall render monthly reports of his activities to such Commission. The Assistant Fire Chiefs, Battalion Chief and Fire Marshal and other officers shall be subordinated to the Chief and to the Fire Commission and shall perform such duties as may from time to time be determined by said Commission. During the period of a fire in the City of Daly City, the powers of the Fire Marshal of said City shall be the same as those possessed by Police Officers of the City of Daly City.

In addition to the performance of their regular and ordinary duties, it shall be and hereby is made the duty of every Fireman at all times and under all circumstances to render aid to all persons or animals in distress or danger, together with such other help or assistance as lies within their immediate power. In case any Fireman should be injured while rendering aid in accordance with the provisions of this section, it is hereby declared to be his duty to render such aid and he shall, if injured, be deemed to have been injured in the course of his employment as a Fireman of the City of Daly City and shall be entitled to all benefits of the Workman's Compensation Act of the State of California, or other benefits provided by law.

Section 9. Any person or persons in any way wilfully interfering with or obstructing the work of the Fire Department at the time of a fire shall be guilty of a misdemeanor and liable to a fine not exceeding $100.00 or imprisonment in the City Prison not exceeding 30 days. During the time of a fire the Chief of Police and other Police Officers of the Municipality shall lend their active aid to the Officers and Members of the Fire Department to procure the strict enforcement of this section, if requested by the Officer then in charge of the fire.

Section 10. The sum of Six-thousand ($6,000.00) Dollars shall be appropriated at the first regular meeting following the end of the fiscal year of the City of Daly City by the City Council of Daly City, and thereafter annually at the first regular meeting following the end of the fiscal year of said City. Said money shall be appropriated from the General Fund of said City and the money so appropriated shall be paid into a special Fund to be designated, "Fire Protection Fund", and used for the payment of compensation to the Regular Members of said Fire Department and Stations composing said Fire Department as herein provided. Every Regular Member of said Fire Department, subject to the provisions of this Ordinance, shall be entitled to compensation for covering, standing by, drill when ordered, and working on an actual fire in such amount as may be adopted by the Board of Fire Commissioners of said City; provided however that no member of the Fire Department shall have his name entered in said Department in such manner as to entitle him to compensation where he fails to respond to an alarm within ten minutes after such alarm is sounded; provided further that should any money be left over in said Special Fund herein referred to, after the close of the fiscal year, after deducting therefrom all expenditures for the past fiscal year, then and in such event said money shall be distributed to the members of the Daly City Fire Department entitled thereto under the terms of this Ordinance and the Rules and Regulations of said Department. In determining the distribution to individuals, the amount of distribution shall be determined so far as possible by disbursing the balance of said fund pro rata in accordance with a percentage to be determined by the compensation paid to each individual member bears to the whole of said fund to be distributed; and provided further that the City Council of said City shall annually pay to the fire Commissioners for the credit of the Veteran Fireman's Association the sum of Three-hundred ($300.00) Dollars; the Board of Fire Commissioners may, with the consent of the City Council of said City, allocate such other sums as they may deem necessary to the efficient operation of said Fire Department.

Section 11. Ordinances numbered 86, 87, 117, 143, 161, 170, 187, 190, 218, 221, and 224, and each and every provision thereof, are hereby expressly repealed, together with all other ordinances of the City of Daly City of any kind or nature whatsoever inconsistent with the provisions of this Ordinance.

Section 12. If any section, subsection, subdivision, sentence, clause or phrase of this Ordinance is for any reason held to be unconstitutional, such decision shall not affect the validity of the remaining portions of this Ordinance, and the City Council hereby declares that it would have passed this Ordinance and each section, subsection, subdivision, sentence, clause and phrase thereof irrespective of the fact that any one or more sections, subsections, subdivisions, sentences, clauses or phrases be declared unconstitutional.

Section 13. This Ordinance shall be published once in the Daly City Record, a newspaper published weekly in said City of Daly City, California, and shall take effect and be in force at the expiration of thirty days from and after its passage.

STATE INCOME TAX

(This is the first of a series of articles prepared under the direction of Charles J. McColgan, Franchise Tax Commissioner, relative to liability of taxpayers under the California Personal Income Tax Act.)

Returns for the year 1943 are required to be filed by:

Single individuals and married persons not living with husband or wife, and having a gross income of $5,000 or more, or net income (gross income less allowable deductions) of $2,000 or more.

Married persons, living with husband or wife, having an aggregate gross income of $5,000 or more, or aggregate net income of $3,500 or more.

In determining liability to file, certain differences between the Federal Revenue Act and the California act should be borne in mind. While generally speaking, amounts of net income reported under both acts will be the same, liability to file under the Federal Act is based upon gross income, i. e., single individuals having gross income of $500 or more and married couples having an aggregate gross income of $1,200 or more must file Federal returns. Since the California Act requires filing only in the event gross income is $5,000 or more, or net income is equal to or in excess of $2,000 in the case of single individuals and $3,500 in the case of married individuals, it follows that in many cases taxpayers will be required to file Federal returns but will not be required to file California returns.

The following taxable entities must also file returns:

Estates having a gross income of $5,000 or over or having a net income of $1,500 or over.

Trusts having a gross income of $5,000 or over or a net income of $100 or over.

Partnerships, every California partnership and every foreign partnership deriving income from California sources.

Individuals having a gross income of not more than $5,000 which is derived solely from salaries, wages, interest, dividends, etc., should report on Form 540A. Individuals having a gross income of $5,000 or more, or income from a business or profession, rental income, or income or loss from sales or exchanges of property should report on Form 540. NOTE: the California act now provides for the optional simplified form of reporting on Form 540B on gross incomes of $5,000 or less consisting solely of salary, wages, compensation for personal services, dividends, interest and annuities. Returns of income for estates should be filed on Form 540 or 541 and those for trusts on Form 541. Partnership income must be reported on Form 565.

Returns must be filed, by taxpayers reporting on the calendar year basis, on or before April 15, 1944. Taxpayers reporting on the fiscal year basis must file on or before the fifteenth of the fourth month following the close of the fiscal year. Returns should be filed at the office of the Franchise Tax Commissioner, Sacramento 14, California, or at any of the various branch offices throughout the State.

The California act provides for a graduated normal tax ranging in rate from 1 per cent to 6 per cent of taxable income (net income less allowable personal exemption), i. e., 1 per cent on the first $10,000, 2 per cent on the next $5,000, 3 per cent on the next $5,000, etc. There is no surtax or victory tax.

If a return is filed on simplified Form 540B, the tax will be that appearing on the schedules thereon. The instructions on Form 540B should be carefully read to determine whether you can use such form.

The following differences between the State and Federal Acts should be kept in mind:

(1) The State return (calendar year) must be filed on or before April 15, 1944, whereas the Federal return must be filed on or before March 15, 1944;
(2) The personal exemptions under the State act are much greater than those allowed under the Federal Act; (i. e., $2,000 compared to $500 and $3,500 compared to $1,200).
(3) The State does not impose a surtax or a victory tax. The State tax has not been placed on a "pay as you go" plan and therefore you need file only one return and pay the tax on the income disclosed by that return. There is no withholding (except in the case of non-residents) from your wages and no estimated tax declarations need be filed. Further there has been no forgiveness of any State tax.
(4) The rates imposed by the California Personal Income Tax Act are much less than those imposed by the Federal Act.
(5) The Federal Act uses a specified gross ($500 or $1,200) income, to determine whether returns must be filed. The State Act uses gross or net income as a requirement of filing returns (i. e. a single person must file a California return if his gross income is at least $5,000 or his net income is at least $2,000, while a married person (living with husband or wife) need not file unless his gross income is at least $5,000 or his net income is at least $3,500).
(6) There are other differences between the two acts and, therefore, each taxpayer should carefully read the instructions printed on each State form.

Infant Son Dies In North Carolina

Word has been received here that the infant son of Lieutenant and Mrs. Fleteher Cook passed away, February 8, in Durham, North Carolina. Lieutenant Cook is the son of Mrs. Louise Cook, 6279 Mission street, and is well-known in this community where he attended school.

The baby, 3½ months old at the time of its death, had not been expected to live. A neighbor of the young couple penned the following lines in honor of the child:

"You did not ask to come to us,
But we who asked for you,
Should fate decree you leave us soon,
Dear God, what can we do?

You came in answer to our prayer
And made our joy complete.
However brief your stay may be,
'Twill have been wonderous sweet.

. . .

So be your visit long or brief
Our joy is that you came;
And tho' our gladness turn to grief,
We thank God just the same."

Association Makes Report On County School District's Tax Levies For Year

The school districts of San Mateo county levied $2,010,145 in property taxes for 1943-44 and received $1,323,090 in state apportionments from the state treasury, as well as other items of revenue from Federal and state government sources, California Taxpayers' association stated today, making public its preliminary survey of county-wide school district revenues. Taxes levied for the school districts include debt service demands as well as current school expenditures, the Taxpayers' association stated.

Over the State as a whole, school district tax levies total $104,262,937 for this fiscal year and state apportionments to the elementary, high school, and junior college districts total $78,914,721. In addition, school districts receive state and federal aid for various purposes, including vocational education and war training classes, as well as from federal forest reserve funds.

FARMERS MEAT COMPANY

MAKE IT EASY FOR YOURSELF!

Remember the days before rationing? All you needed to know was the price of meat, and whether or not you had enough money to buy what you wanted. Then came the meat shortage, and some days you stood in line for hours, only to find everything sold out when it came your turn.

Next you were given an allotment of ration stamps which had to be turned in on meat purchases. But still the dealers' supplies were short, quality was doubtful, prices went up and up, and you had to take what you could get.

But that's ALL changed now—at least, if you shop at the Farmer's Meat Company store.

For we're on a strictly "quality meat, low price, cheerful service" basis. We again offer you a wide choice in meats of the high quality upon which we built this business, and at prices competitively low. Our friendly, helpful service will do much to take the "sting" out of your food rationing problems.
